Hanon Hurls Jayvees To 7-5 Victory

Jess Hanon hurled great relief ball Friday as the Tartar Jayvees picked up their fifth straight win of the season, by a 7-5 count over Morningside at Morningside.

The two squads meet again today at Torrance Park. Game time is 3 p.m.

The Tartars and Monarchs were tied, 3-3, going into the last half of the fifth frame. A walk, a double and two more free passes by Torrance starter, Herm Cobra gave the loser's 4-3 advantage and left the sacks jammed.

Coach George Stanich then called on Hanon, who walked in a run before settling down to retire the side.

Torrance jumped right back in their half of the sixth inning, when Morningside pitcher Bob Carroll walked George Hurley to lead off the frame and Grover Morris and Gene Crenshaw followed with blooper doubles down the right field line.

Bob Hanks singled Crenshaw home and then scored himself on an error and a fielder's choice. All told, the Tartars counted four times in the sixth inning to sew up the tilt, 7-5.

Hanks and Third Baseman Jim Schmidt each had two hits for the Tartars. The locals garnered 10 hits off Carroll.

First Sacker Smith hit two bingles for Morningside. The Monarchs could hit safely only five times off the combined offerings of Hanon and Cobra.

Seek Revenge For 12-5 Loss

Tripped up Wednesday by Morningside High, 12-5, the Torrance Tartar nine tangles again today with the Monarchs in a return practice game at Morningside. Game time is 3 p.m.

The locals step up in competition tomorrow when they engage UCLA Frosh baseballers at Westwood, with the first batter stepping in at 3 p.m.

It was a case of too much too early Wednesday as the Monarchs jumped on Tartar hurlers Gary Hackanson, Ron Anderson and Tom Vanderpool for six runs in the first frame to insure victory.

Hakanson Starts
Hakanson started for the locals, but couldn't get anybody out. The speedy Anderson followed, but had control trouble, so Vanderpool, who had worked the day before against Mr. Carmel took over and went the remainder of the distance.

The Morningside sluggers clobbered Tartar pitchers for 13 hits, with five of the total coming in the initial frame.

Evans, Sugar and Weathers led the winners at the plate with seven hits between them. Evans drove in a pair of runs with two solid doubles, while Sugar and Weathers both sent three runs across the plate.

Valencia Hits Two
Charley Valencia led the Tartars in hitting with a pair of singles. Pitcher Vanderpool tripled in the fifth inning to drive home the Tart's final pair of runs.

Torrance got seven hits off Paulson, Morningside hurler. Errors were the main cause of the local's downfall, as the previously stout Tartar defense weakened to allow four errors.

It was the second loss for Torrance in five games, but their other defeat, coming the day before the Morningside rout at the hands of Mt. Carmel, was a slim, 7-6 loss.

Del Nuzum's Tartars open their Bay League schedule Thursday when they play host to Centennial's Apaches. Game time is set for 3 p.m. at Torrance Park.

JUNIOR GOLF TOURNAMENT SLATED

Entry blanks now are available for the fifth annual Los Angeles Junior Golf Tournament, which is slated for April 4-7 at Griffith Park.

The co-sponsoring Los Angeles Recreation Department and Municipal Golf Association reported last week that March 30 is the deadline for filling entries for the tourney. Completed entry blanks and fees may be submitted at any municipal golf course or at Room 305, City Hall, Los Angeles 12.

Last year, youngsters from all over the state reported for the tourney, which is held during school Easter vacation.

Chuck Williams, of Lawndale, was the only local golfer to capture a title in 1954. He took the Alumni Division for boys 18 years of age.

GARY COOKE CRACKS HIS 220 RECORD

Torrance's track varsity breezed past Redondo's Seahawks Friday afternoon at Redondo, but the big moment was supplied by Gary Cooke's record breaking 21.9 sprint mark in the 220-yard dash.

Cooke, who took both the 100 and 220-yard sprints, erased Gene Thorson's Torrance High School furlong record in smashing to his win. Thorson's record of 22.0 was set in 1945.

The locals piled up an overwhelming 71-33 count in winning the varsity portion of the meet, but didn't fare as well in the Class B and Cee competition. Both the Tartarcees and Cees were drubbed by the Seahawks.

Lose One First
Every varsity first place was won by Torrance, with the exception of the broad jump. Torrance's Jim Powers, who has displayed winning form in every meet so far this season, was outleaped in his specialty by Redondo's Naguchi. The Seahawk jumper won at 20'3".

Jerry Daldendorfer opened the varsity meet by skimming to a 9.4 clocking in taking the 70-yard high hurdles.

Good Marks
Other top times included Gary Cooke's 10.1 time in winning the 100-yard dash; Dennis Hester's 2:02.8 clocking in taking the 880-yard run; Dick Davenport's fine 53.9 quarter mile mark; Duane Cooke's 13.7 time in the 120-yard low hurdles; and Hester's 510' winning leap in the high jump.

Al Rainwater, Torrance's other top sprinter, had to retire following the 100-yard dash with a leg injury. He finished second to Cooke in the century dash.

Tartar coaches Willard Morgan and Don Porter will work their charges this Friday in preparation for their Week meet with Leuzinger on the local track. First event is due to start at 2:45 p.m.

Harbor JC Takes ELA Relays; ECC Seventh

Harbor JC ran off with the East Los Angeles Relays' title Friday, as the Seahawks won a half dozen events in the annual carnival.

El Camino's spikers could only garner 10 points in the eight team meet to take seventh place, two points better than Bakersfield's last place total of eight.

The closest Warriors could come to a first place was in the pole vault, where the local three-man team took second.

Events were judged according to the aggregate marks of each school's three-man entry in each event, with the exception of the relays.

SUNDAY MIXED FOURSOME

Team 7	71	37
Team 5	59 ½	48 ½
Team 8	57 ½	50 ½
Team 6	52	56 ½
Team 3	43 ½	64 ½
Team 4	40 ½	67 ½

The stout Contestable also smashed a long home run in the contest.

In the Valley game, the winners tallied five times in the last half of the seventh inning to sew up the tilt.

Valley committed five errors and garnered seven hits, while El Camino swingers hit safely nine times and erred only twice.

The Warriors next meet Santa Monica, tomorrow at El Camino.

Friday, ECC tackles Bakersfield's hustling nine in another Metropolitan Conference tilt, at Bakersfield.

Licenses Not Valid
Judging from the number of arrests for fishing with 1954 licenses during the past several weeks, many anglers still haven't gotten around to buying their 1955 license. The Department of Fish and Game revealed last week.

Three shows combined in one gigantic display will stress the current tremendous national upsurge in participating sports and recreation.

"All indications point to a banner year for outdoor and sports enthusiasts," Morrison and Buck said.

A mecca for many of the country's estimated 18,000,000 anglers and 15,000,000 hunters, as well as scores of boating, trailer and camping enthusiasts, the forthcoming outdoor classic will present every conceivable innovation for the vacation sportsman, the impresarios stated.
